<p><b>Description:</b> General Motors has decided that certain 2013-2016 model year Chevrolet Sonic and Trax vehicles and 2013-2015 model year Chevrolet Spark vehicles equipped with a Bring Your Own Media (BYOM) radio may not comply with Federal Motor Vehicle Safety Standard (FMVSS) No. 114, Theft protection and rollaway prevention. BYOM radio software in these vehicles may fail to provide an audible warning/reminder chime when the driver, after turning off the ignition and leaving the key in the cylinder, waits 10 minutes or longer to open the door for the first time. The vehicle may also fail to provide or provide a shortened audible warning when the driver opens the door, hears a chime, leaves the key in the ignition, closes the door, and subsequently opens the door a second time more than 20 seconds later.</p> <p>If no key reminder chime sounds to alert the driver to a key left in the ignition, there is an increased risk of theft.</p> <p><b>Remedy:</b> Dealers will update the radios with corrected operating software free of charge.</p>

## Glossary

### First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

### Manufacturer Recall

Automobile manufacturers issue recall notices to inform owners of car defects that have come to the manufacturer's attention. Recalls also suggest improvements that can be made to improve the safety of a particular vehicle. Most manufacturer recalls can be repaired at no cost to you.

### New Owner Reported

When a vehicle is sold to a new owner, the Title must be transferred to the new owner(s) at a Department of Motor Vehicles.

### Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

### Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
